The theme of our Summer Camp is “Drinks”. Each day has a specific theme based on a drink. All the activities and crafts will revolve around the theme, for example for “Wake up and smell the Coffee”, they will do pillow case races, make their own pillows etc.

Every day, the children will learn and discuss a Jewish topic related to the theme. Kosher lunch and snacks are included as part of the program every day.

Looking forward to a fun “Drink”-filled summer!

Please note - the schedule of themes is still subject to change.
